The Olde Bell, Berkshire

The inn has had an Ilse Crawford makeover, and the sumptuous food is by Rosie Sykes. Its Valentine's package for the 14th includes a glass of sparkling wine on arrival, chocolates in the bedroom, a three-course dinner and champagne breakfast in bed. You can embellish the day with upgrades, flowers, picnics or in-room massages.

Details: doubles start at £285, including dinner, breakfast and complimentary transport to and from Maidenhead station for those who'd sooner arrive by rail; the embellishments are extra. Call 01628 825881 or visit theoldebell.co.uk.
