## The Malt House: Exclusively Yours

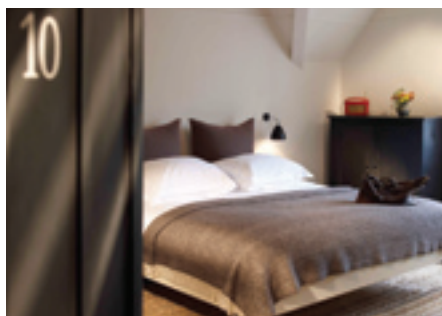

**Lovingly refurbished private function space and bedrooms at The Olde Bell Inn**

Next door to The Olde Bell Inn is The Malt House; a Victorian building with hints of the Arts and Crafts style; with 14 bedrooms (including 5 suites) and five private gathering spaces. Each of the gathering spaces are individually designed to use as you wish, including the wood panelled Oak Room, the Music Room with a grand piano in the big bay window and the Dining Room with its own private bar. The building sits within its own cottage style garden and lawns which are ideal for relaxing and summer dining.

The Malt House and its newly refurbished bedrooms are available to hire on a completely exclusive basis. Ideal for celebrations, birthday parties, anniversaries etc. with family, friends or colleagues.

The exclusive package includes 24 hours hire with full use of all the gathering spaces, gardens and 14 bedrooms ready for double occupancy. A dedicated team of service staff are ready to serve lunch, dinner and refreshments throughout the day.
